

Troy is a concept of remarkable simplicity and comfort that gives shape to practically endless possible variations, playing on the use of different materials, combinations and seat types. This vast and various assortment with over thousand possible combinations of materials (from plywood to polypropylene, to upholstered, etc.), structures (in steel tube or steel rod, with legs, on wheels, on star base, etc., also available with arms), and colours (from pastels to the brightest shades).

Now the collection is enhanced with the new seating system on bar and offers therefore solutions for every possible need for both the home and the contract sector.
