

BONALDO

Joy too

Designer: Spazioameno

Elegant and cosy, Joy seating collection is the result of material research that embodies traditional values in a new, contemporary way. The solid wood of the base, a distinctive element that reflects the technical durability of Joy and Miss Joy, contrasts with the soft contours of the enveloping and reassuringly shaped seat and backrest in fabric, eco-leather or leather. Joy

too is the stool that matches with the collection of sophisticated, comfortable chairs with a strong personality which, partly thanks to the customised finishes and colours, are perfectly suited to both residential and contract settings.
