# Pil, Pil up, Miss Pil, Miss Pil up

Pil is a collection inspired by the object that is itself symbol of softness, the pillow: usually interpreted as an accessory, here the pillow plays the starring role, shaped and adapted to create a chair that conveys comfort and relaxation. The main components of Pil are the backrest cushion and the seat cushion. The latter features a fold in the middle, created to generate an enveloping effect that physically and visually emphasises the

feeling of softness. The base consists of metal legs, with the crossbars set at a special angle, to create an original graphic interweaving effect.

Available in different versions: Pil, Pil up (with higher backrest), Miss Pil (with armrests), Miss Pil up (with higher backrest and armrests), Pil too (stool) and Pil armchair.
