Cuff accessories

Designer: Mauro Lipparini

The Cuff pouf and bench are a triumph of sartorial elegance, emphasised by the precious details that characterise the entire Cuff Collection: frog fasteners punctuate and decorate the edges, the leather inserts embellish the cover, the painted metal feet bestow further elegance. This attention to each individual detail is how Cuff expresses the full authentic values of the Made In Italy brand. Thanks to these accessories, coordinated with the

Cuff collection beds, it is possible to complete the sleeping area, bestowing maximum functionality and consistency on the whole design: appearance and practicality thereby find the right meeting point. The cover, available in numerous colour variations, is made of fabric, leather or eco-leather and is completely removable.
