

BONALDO

Madame C bed

Madame C bed: the name is a tribute to Coco Chanel, who inspired its sophisticated and surprising taste. The headboard is made up of three large and slightly overlapping cushions, which mark out the perimeter of an authentic oasis of relaxation, able to ensure comfort without sacrificing formal elegance. Madame C bed is raised from the ground by thin tubular feet in painted metal, available in numerous colour variations. With a

completely removable cover in fabric, leather or eco-leather, Madame C bed is also available in a version with a thicker bed frame and low feet (Madame C Bed plus). In the Madame C Bed plus open version, thanks to the practical storage, precious additional space can be gained for storing covers, cushions and everything necessary for the bedroom.
