

BONALDO

Saddle bed

Designer: Giuseppe Viganò

The headboard and bed frame are distinctive elements of Saddle bed: folded over themselves, they bring to mind the form of a saddle, which gives the name to this family. Characterising the bed's headboard are the signs of the quilting and the precious leather insert, reprised also in the bed frame, which allows a singular play of materials and combinations that create an appealing optical effect and emphasise the extreme attention to detail. The figure of the bed is made even lighter by the feet in painted

metal available in numerous finishes. Alternatively, it is possible to choose among other different versions: Saddle bed hi with an even higher headboard, Saddle bed plus with a thicker bed frame and low feet, and Saddle bed hi plus, which combines these two variants. The bed is now also available with storage (Saddle bed open and Saddle bed hi open). The collection is completed by the Saddle bench with a shaped foot.
